

DIRECTIONS TO DENTON OFFICE

From Dallas or Fort Worth Taking I35E or I35 W north to Denton...

- Exit University Dr/Hwy 380 (exit # 469). This exit is just north of the I35E and I35 W merge on the northwest side of Denton. Move into the right lane of the service road to go straight at the stop light.
- Continue north on service road through stop light crossing University Dr. passing Cracker Barrel Restaurant on your right. You will pass an open area under dirt construction and then see a row of offices on your right. You will turn right at the end of the offices.
- Turn Right at the first street into the neighborhood which is Thunderbird (at the end of the offices)
- Go one block and turn right onto Colonial (first right turn at end of office parking lot)
- Turn right into the first parking lot entrance and then turn right again into the north parking lot
- Office is located in the middle of the North group of offices. Sign in front stating:

4232 Neurotherapy Associates

Richard E. Davis, M.S., LPC

.....

From the north taking I-35:

- Exit University Dr/Hwy 380 (exit # 469) and stay in left lane of service road
- At stop light use the left U-Turn lane under the overpass to get to the north bound service road. **DO NOT turn onto University Drive/HWY 380.**
- Follow the above directions starting with step 2.

.....

From the East taking Highway 380:

- Exit Loop 288 north and follow to I-35 South Exit, exiting onto southbound service road.
- Stay on service road until approaching the stop light at the University Drive/Hwy 380 intersection and move to left lane turning left onto the U-Turn lane under the overpass to get to the north bound service road. **DO NOT turn onto University Drive/HWY 380.**
- Follow the northbound directions at top of page starting with step 2, turning right on Thunderbird.
